To enter the mixed team competition the National Federation must have a full team. This means that on the delegation control list during accreditation there must be athletes able to compete in all six (6) categories. A total of 12 athletes can be inscribed with a maximum of two (2) athletes per category.

If there are injuries or illness during the competition a team can compete with a minimum of four (4) athletes.

A draw will be made for the starting category for the first round. The following rounds will start with the next category in the sequence.

Before each match the team leader must select the athletes for each contest. From the maximum of two (2) athletes inscribed in each category he can select one.

If the team has the possibility to put an inscribed athlete in a category, he must do so. An athlete cannot be rested for one match and return for the next unless they have been replaced by the other inscribed athlete. If the team has no athlete in a category, they should select the "no competitor" option.

For the first round the lists must be returned at least 30 minutes before the start of the competition (accordance with the IJF SOR 2.7.1)

For other rounds it must be returned 5 minutes after receiving the list from competition management. Once it is returned to competition management it cannot be changed.

Duration of each contest: girls four (4) minutes and boys four (4) minutes (real time). After the team bow the byes are displayed on the scoreboard and wins are given.

- Example: If blue team has one category empty: 1:0
- Example: if both teams have a different category empty: 1:1
- Example: if both teams have the same category empty: 0:0 (this is the only case when we stop a match when a team has reached 3 wins).

These byes are skipped later, no player needs to return to the tatami to bow again if there is no contest to be fought. The first team reaching the majority of wins (4) is declared the winner. The remaining contests will not be fought. It is compulsory that all athletes listed for the match compete until the team reaches the winning result. If during the match, in one contest, an athlete enters the tatami and refuses to compete, he will be given a direct hansoku-make (cannot continue in competition) and the opponent will be declared the winner. The losing athlete cannot continue in the next rounds. The team of the losing athlete can continue in the next round if applicable. If the wrong athlete goes to the tatami for a contest that is not his own, he will be disqualified, and the opponent he was initially supposed to meet will win by *fusen gachi*. If one team does not arrive for a match, the other team will be declared the winner. They are considered out of competition and cannot return for a later match (if applicable). If there are an equal number of wins at the end of the match, there is a draw for the weight category that will compete in a golden score contest (see table below) to decide the winning team. The draw is done by computer and displayed on the athlete and public (big screen) scoreboards.

Draw for golden score contest scenario	Action
Both teams have “no competitor”	Category is removed from the draw
One team has “no competitor” or after the regular contest an athlete is unable to continue (injured, ill, direct hansoku-make <i>cannot continue</i> in competition etc.)	Category remains in the draw and the win is given directly to the other team

### Approved Judogi

All Judoka must compete in IJF Approved Judogi (only red and green label allowed). In particular sponsors of the European Judo Union: Danrho Kwon KG ([www.kwon.com](http://www.kwon.com)), Essimo ([www.essimo.nl](http://www.essimo.nl)), Ippon Gear ([www.ippon-shop.com](http://www.ippon-shop.com)), Double D Adidas (<https://combat-sports.net>), Mizuno ([mizuno.com](http://mizuno.com)) and other IJF suppliers are allowed (see <https://www.ijf.org/supplier-list>)

### Judogi Control

It will be operated with a Sokuteiki prior to the fight. Judogi must have an IJF Official Label "APPROVED JUDOGI" with an optical code which cannot be falsified. The label will be controlled with an optical lamp. Each of the competition clothing articles (jacket, trousers and belt) must have an IJF official label.

### Backnumber

Each competitor taking part in the EJU events is obliged to have sewn on the back of his Judogi the official backnumber bearing his surname and his National Olympic Committee abbreviation. The backnumber can be ordered from sponsors of the European Judo Union: Judo Backnumber (<https://judobcknmbr.com/>), mybacknumber (<https://www.mybacknumber.com>) or Official Backnumber (<https://www.officialbacknumber.com>) and others IJF suppliers are allowed (see <https://www.ijf.org/supplier-list>)

Attention: production and delivery may take around 4 weeks!!!.

The SPONSOR part (if needed) will be given to the head of delegation during registration, and the athletes can stick it themselves using the special glue on the back number.

### Markings and Advertising

The space on the **shoulder stripes** (25cm x 5 cm on both right and left side) and on the **upper arms** (10cm x 10cm on both right and left side) can be either used for **own sponsors of the Federation or Judoka or EJU Suppliers, BUT not for any other Judogi supplier**.

The space on the right chest (5cm x 10cm) can be used by federations and their Judoka for their own sponsors. The logo of a Judogi brand can only be used, if it corresponds with brand of the Judogi itself and if it is of an EJU Supplier.

**Please note:** On all advertising spaces it is strictly prohibited to promote tobacco, alcohol, any substances listed in the doping code, or any product or service contrary to public morals.

The space on the **left chest** (10cm x 10cm) can be used for the national colours or the national emblem corresponding with the IOC code on the backnumber (regional emblems are not allowed).

All other markings on the Judogi, like Judogi brand logos, name of Judoka, etc. have to comply with the IJF Judogi Rules (see IJF SOR Appendix C).

- The organiser is not obliged to provide reserve Judogi at Judogi Control, but the athlete is allowed to present himself in another IJF Approved Judogi, complying with the Sokuteiki rule (and without backnumber) - in this case no coach can go with this athlete to the mat!
- In the case of a repeated offence the coach will be suspended for the rest of the competition.
